

Correction of homonymy of generic name *Cyclophyllia* Roniewicz, 1989 (Scleractinia) into *Cycliphyllia* nom. n.

Acta Palaeontologica Polonica 36 (2), 1991: 239-239

A new generic name, *Cycliphyllia*, is here proposed as a replacement name for *Cyclophyllia* Roniewicz, 1989 (type species: *Thecosmilia cyclica* Schaefer et Senowbari-Daryan, 1978, Upper Triassic). The latter is a junior homonym of *Cyclophyllia* Milne-Edwards et Haime, 1848 (type species: *Cyclolites cristata* Lamarck, 1801, Cretaceous), an invalid name, which is a junior synonyme of *Aspidiscus* Koenig, 1825 (Milne-Edwards 1857: t. 2, p. 386). This regrettable error has been noticed thanks to the List of generic names by Wells (1986). As a consequence of the above change, the orthography of the family name *Cyclophylliidae* Roniewicz, 1989 is here corrected into *Cycliphylliidae*.

Key words: Scleractinia, Upper Triassic, nomenclatural notes.
